

Alexander Sapega,  
The Sherlock Holmes of  
Knees

Things must be done  
decently, and in order.

When you have eliminated  
the impossible, whatever  
remains, however improbable,  
must be the truth.

It is a  
capital  
mistake  
to theorize  
before  
you have  
all the  
evidence.

Come Watson. (Tim)  
The game's afoot.

I hardly looked at his face.  
His knees were what I wished to see.
